

Mobile Internet

INFORMATION ABOUT THE SERVICE

The Mobile Internet is a broadband service delivered using the Optus 4G mobile network for use within Australia. Any data allowance not used within the billing month will expire, with the first month's data allowance pro-rated for use in that billing month.

Bundling

There are no bundling requirements for this service.

Minimum Term

The service is available on a month-to-month.

Minimum Monthly Charges

The minimum monthly charge for the Mobile Internet is the charge of your selected plan. For example, if you were to select the '50GB' \$28.00 plan, you would be charged \$23.00 per month. This amount would increase if you exceed your included data inclusion, or use services outside of your plan inclusion.

Minimum Total Cost

The minimum total cost for the Mobile Internet plan is equal to the cost of the plan, plus hardware. For example, if you select the '50GB' \$28.00 plan, the minimum total cost would be equal to \$28.00

Coverage

The Mobile Broadband service will be carried across the Optus network. Please check coverage at <http://spintel.net.au/products/mobilebroadband/coverage> prior to ordering the service.

What's Required

To use the service a compatible device is required. You need to purchase a Netgear AC800S from us for the Unlimited plan, For the others you may choose to purchase a device from us, or use your own device that can access the Optus 4G network. We will supply the SIM card.

INFORMATION ABOUT PRICING

Monthly Charges

Acceptable Use Policy

When signing up to a SpinTel service you agree to the Acceptable Use Policy (AUP). The purpose of SpinTel's AUP is to ensure all customers can access our services, and do not use our services in a manner that we consider 'unreasonable'.

The AUP outlines, restrictions associated with 'commercial', 'excessive', 'unreasonable', and 'unlawful' use of the SpinTel service. Breaching the AUP may result in SpinTel disconnecting your account. To see the full AUP please visit <http://spintel.net.au/aup>.

ACMA levy

An annual number levy is applied and determined by the Australian Communications and Media Authority (ACMA). As of 2017, the cost of such a levy is \$0.65. This fee will be added to your account as a once-off fee per year while you have an active service with us.

Monitoring Your Usage

You may view your usage by logging into the SpinTel member's portal My Account. You can also change your inclusions mid-month effective from the next billing cycle. My Account can be accessed through my.spintel.net.au. We'll provide you with email usage alerts once you've reached approximately 50%, 85% and 100% of your included data.

Billing

You are billed according to your billing cycle. The first bill you receive will include charges for the days remaining in the month until your billing cycle ends. It may also include charges in advance for the next billing cycle. Your data usage is based on your billing cycle and the first month bill may include proportional usage based on the remaining days in that billing cycle. This is known as pro-rata charges. Payment methods include direct debit from a nominated savings and cheque account, or a credit card. No processing fee applies for a savings or cheque account where a BSB and account number are used.
